PRESENTATION

Travail Adapté Lanaudière (TAL) is a non-profit organism self-directed since 1995. We offer work to people showing insertion problems, physically and or mentally challenge also to some wanting to come back on the work market after a long absence.

This interrelation is achieve harmoniously and professionally in a work place that must meet the requirement of the companies we do business with. Our strength are quality control, respect of deadline and this at competitive prices.

More than 400 people have benefited from this service. Today 75 people are working for us.

Assembling and subcontracting are our principal activities. We also produce diaries and ski wire tickets for all Quebec and eastern Ontario.

Our work place is located at Rawdon (1 hour north of Montreal) and at Joliette (1 hour north east of Montreal). It will give us a real pleasure to work for you.
